3. In the issuance and delivery of new ordinary shares, the warrant holders who exercise the warrants may inform the company to proceed among followed alternatives:

a) In the case where the warrant holders who have been allocated the ordinary shares do not intend to receive the shares certificates, they shall use the services of the TSD instead. They shall deposit their ordinary shares in the account of the securities companies at which the warrant holders have their trading accounts. In this case, the TSD will proceed to deposit the ordinary shares derived from the exercise of warrants with "Thailand Securities Depository Company Limited on behalf of the depositors", and the TSD will record the number of ordinary shares which the securities companies have deposited. At the same time, the securities companies will also record the number of ordinary shares which they have deposited, and will issue evidence to securities account holders within 7 business days from each Exercise Date, and in this case the warrant holders who have been allocated ordinary shares through a warrant exercise can immediately sell their ordinary shares through the SET as soon as the SET grants permission for these new ordinary shares to commence trading on the SET.

b) In the case where the warrant holders intend to have share certificates in their own names, the Thailand Securities Depository will proceed to deliver the share certificates, according to the number of warrants that have been exercised to the warrant holders via registered mail. This registered mail will be sent to the addresses provided in the warrant register book within 14 business days from the relevant Exercise Date. In this case, the warrant holders who intend to exercise the right to purchase ordinary shares will not be able to sell their ordinary shares derived from the exercise of warrants through the SET, until they have received the share certificates. c) In the case where the warrant holders who have been allocated the shares do not intend to receive a share certificate, they shall use the services of the TSD by depositing the ordinary shares in the account of the TSD, member number 600. In this case, the Company will proceed to deposit the ordinary shares, derived from the exercise of warrants, at the TSD. For this, the TSD will record the number of ordinary shares as have been allocated to the account of the TSD, member number 600, and will issue evidence of the deposits to the warrant holders who have been allocated the shares within 7 business days from the final day of each of the Exercise Dates. 600, through their securities companies, subject however to some operating fees which may be required by the TSD and/or the securities companies. In this case, the warrant holders who have been allocated the shares can immediately sell their shares through the SET as soon as the SET grants permission for these new ordinary shares to commence trading on the SET. The warrant holders who have been allocated the shares already shall proceed to withdraw shares from account number 600.
